CALL FOR PAPERS:
ICSET-2024

Conference on Innovation in Computing, Science, Engineering and Technology (ICSET-2024)

30 Aug , 2024 Kathmandu, Nepal

ICSET-2024 will be covering to shape the future of innovation in Computing, Science, Engineering andTechnology. The theme for this year "Innovate, Integrate, Inspire: Pioneering the Future of Technology", underscores our commitment to advancing knowledge and fostering collaboration across diverse fields of study

Focus Area:

Track 1: Computing

a. Data Science and Big Data Analytics
b. IoT and Signal Processing
c. Real-time system and Embedded system
d. Software Engineering and Development

Track 2: Engineering

a. Geotechnical Engineering
b. Transportation Engineering
c. Water Resources Engineering
d. Structural Engineering
e. Urban Planning
f. Environmental/ Disaster Risk Management
g. Construction Management

Track 3: Science and Mathematics

a. Mathematics and Computing
b. Engineering Education

Track 4: Multi disciplinary Fields

a. Emerging Trends in Management, Innovation and Technology
b. Project and Strategic Management
c Social Science
d. Health Science
e. Natural Science
f. and other areas related to main theme

Important Dates:

Absract/Full Length Paper Submission: 30 July 2024

Registration Starts: 15 Aug 2024

Conference Date: 30 August 2024

- The paper must fall within the themes and track areas of ICSET 2024
- Papers can be submitted either through Easy Chair https://easychair.org/cfp/icset2024 or by email icset2024@ncit.edu.np."

For detailed **Author Guidelines and Submission**

Publication

All selected papers will be published in the Journal of Science and Technology (JoST) ISSN:2362-1443
